

### Support Available at Place Farm Primary Academy

Our vision is for Place Farm Primary Academy to be an excellent school, where best practice, high achievement, equality and well-being are at the heart of everything we do for our children and for our staff.

*We believe in quality first teaching and deploy this across the school through our PROUD Curriculum and universal offer. Through concise planning, use of choice and challenge, scaffolding and in addition too, we enable pupils to make their best progress. We understand that there may be occasions when a pupil requires additional support to achieve their best, and we endeavour to tailor the provision available through our graduated response and targeted offers to enable pupils to access the curriculum and learning opportunities available, so that they are able to achieve what they are truly capable of. The support available at Place Farm Primary Academy extends beyond the child and may support the whole family in accessing and implementing both internal and external advice and guidance.*

	<u>Internal:</u> Available in School	<u>External:</u> Outside Agencies / Professional Advice
