

Summer Term 2020

This term, has started off a little differently than we are used to. We have been busy working from home, reading stories through 'Class Dojo' and setting daily work. We have been communicating with parents and children through email and over the telephone, which is not the same as seeing you all face to face!

Phonics and Maths has been timetabled daily, and the children are going on sound hunts, playing tricky word pairs, and applying their Phonics knowledge to their writing. In Maths, they have been on Shape hunts, producing patterns, looking at number, representation and completing equations.

So we just want to say a big 'Thank you'. Thank you for supporting your child/ren through these uncertain times and for carrying out the tasks we have set, as well as making their home learning as 'fun' as possible!

We are really PROUD of you all!

Mrs Payne and Miss Parry

Here are a few picture and videos that reflect how lovely and resilient our EYFS children are:
