Dear parents and carers

Key Worker Parent Pupil Provision

I would like to begin by thanking all of you for your part in ensuring that vital services are manned during these very challenging times.

I also want to reassure you that we are supporting your children in school, and ensuring that their well-being is at the centre of our minds, whilst you are working.

One point which has been raised is that your children are being very good about maintaining high standards of hygiene, which does mean that their hands are getting very dry and, in some cases, sore. If you would like to send in named hand cream for your child to apply, on the days that your child attends, we will ensure that they apply it, as needed.

I would very much appreciate your feedback on the service we are currently providing. We want to ensure that we are meeting your needs, so all feedback is very welcome. Please email questions or feedback to admin@placefarm.org.uk

All of our staff are working in very different ways to the norm, so that we can sustain effective provision for pupils of Key Workers, whilst also setting up ways to run a Virtual School for our pupils. We will share more information, as it becomes available.

In the meantime, I wish to thank you for your patience and understanding. I know that communication is vital, and we are doing our utmost to keep you informed.

I look forward to receiving your feedback in due course.

Yours sincerely,

A handwritten signature in black ink that reads 'Jane Sendall'.

Mrs Jane Sendall
