

School Council 2019-2020

At Place Farm Primary Academy, we are proud to have pupil representatives from each class, across Key Stage One and Key Stage Two, on our School Council.

Our School Council have been meeting every three weeks to discuss school improvements and to discuss how we can raise Pupil Voice throughout the school. At each meeting, the class representative brings suggestions raised by the other children in their class. In order for all children to have their say, each class contains a 'Suggestion Box' for children to put their ideas in, which are shared at the meetings.

This term, our School Council have been working hard to think of improvements for our school. So far, we have created posters to keep our cloakrooms tidier and are in the process of seeing how we can make school lunches and snack hut options healthier. We are also looking into the possibility of creating a roof cover for part of the playground, for use at wet play. In the Spring term, we are planning on meeting with other School Councils across the Trust to share our ideas.
