

8<sup>th</sup> July 2020

Dear Parent/Carer,

It has been lovely to see so many more children in school this week having the opportunity to be with their new teachers. Yesterday, we had 147 children in school, including some of the new pupils who are joining the Place Farm family in September, which is absolutely lovely. I am really looking forward to seeing all children back at school in September.

The last four months have been challenging for everybody, and I am sure that many of you will still feel uncertain about the impact the pandemic will have on your financial situation, with so much uncertainty with some jobs and the turbulent economic situation.

From September all children will need to return to school in full uniform, as outlined below. We know that this will really help us come together as a school community and support your children to feel like a member of the Place Farm Family and be ready to learn, through our recovery curriculum.

I have been working hard on the budget for next year, and have looked at ways that I can support you, as families. **I am pleased to say that I will be able to provide every pupil with a Place Farm jumper or cardigan, and a tie, at no cost to you.** This is a one-off gesture to support our children, in light of these unprecedented times. You will be able to collect your jumper/cardigan and tie by coming to the front of school on Wednesday 2<sup>nd</sup> September or Thursday 3<sup>rd</sup> September.
