

Year 4

Year 4 have been exceptionally busy since September!

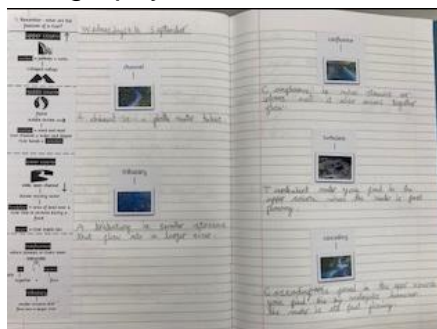

In Science we learnt about animals including humans. In Geography we have been learning about Rivers. In History, Ancient Greeks. Wow! What a range of topics!

In mathematics we have been consolidating our understanding of place value and the four operations. We have also been working very hard on our times tables.

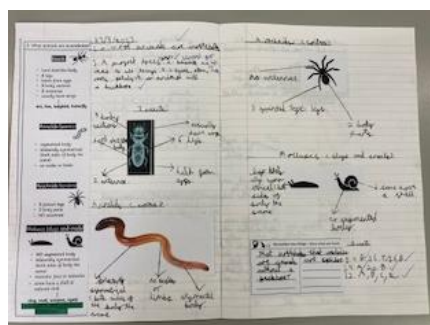

In English, we have worked on various reading skills, such as inference, summarising and predicating. We have used *The Queen's Nose* and *The Boy at the Back of the Class* as our class texts.

In writing, we have used our writing skills to write an adventure story as well as a variety of poems.
