

Year Six Home Learning

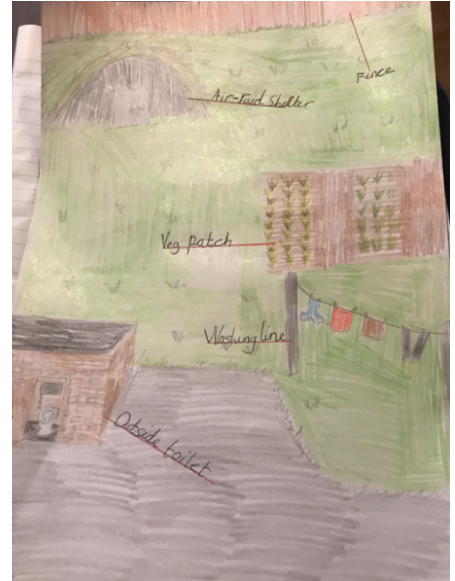

During the spring term Year Six have been busy learning about World War Two. They have thoroughly enjoyed this topic and have produced some amazing pieces of both written and art work. As part of their home learning this week, we asked them to draw a view from their window and to label any features. They were then asked to take a 'step back in time' and imagine what a child in World War Two would see from their window and to include all of the details we have talked about in our project lessons. These including fighter aeroplanes, Anderson Shelters and air-raid sirens to name a few. The children have done a wonderful job and here are some of the excellent pieces of work we would like to share with you:

Emilia Carpenter - 6TW

Taylor Burry - 6SB

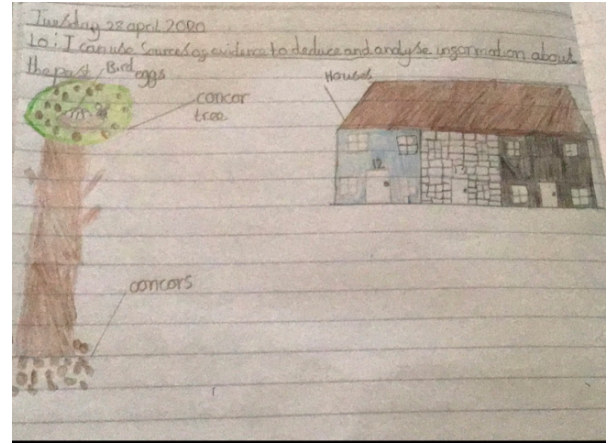

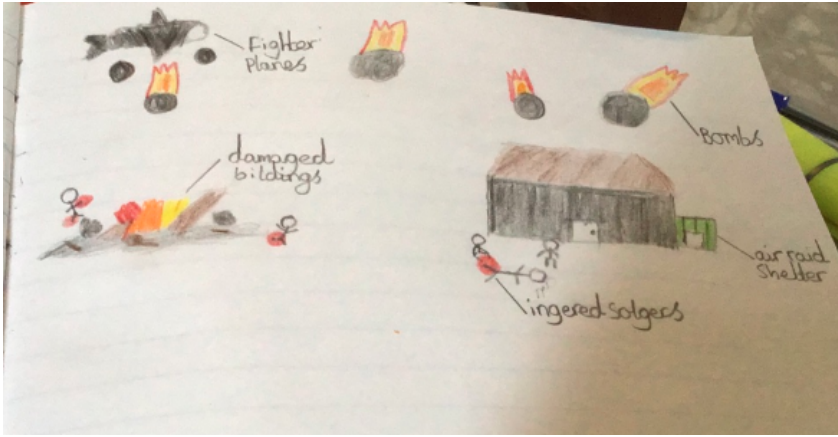

Alfie Johnson – 6TW

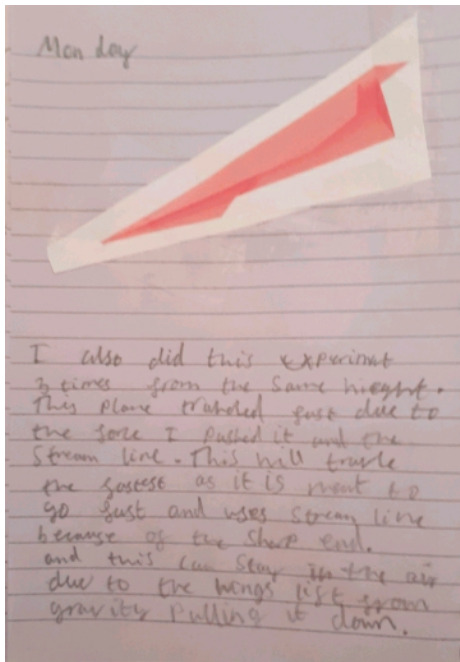

Maja Moroniak - 6SB

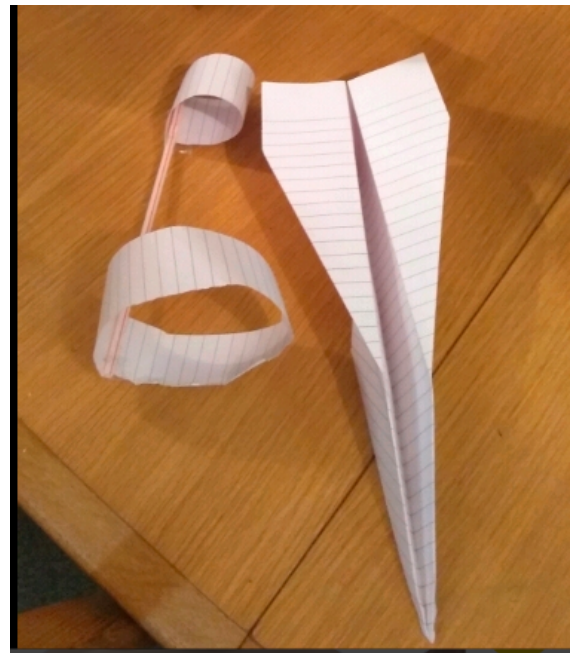

Kyla Brice - 6TW

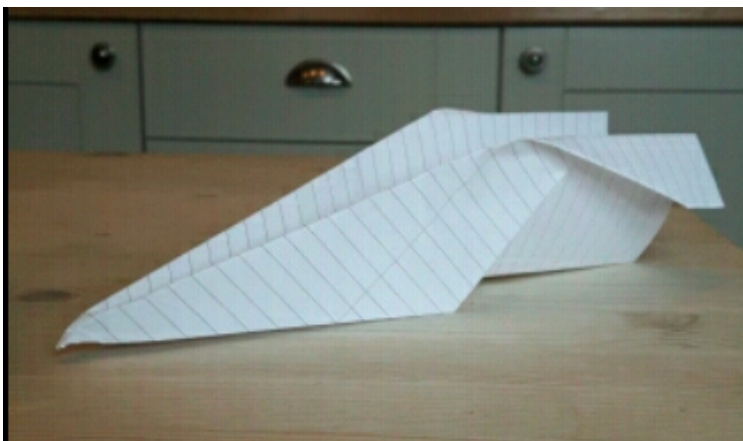

In Science this week, Year Six were set the task of making various different style paper aeroplanes. Once the children completed their aeroplane, glider and helicopter, we asked the children to predict which plane they thought would fly the best and why. Year Six have been busy uploading videos of them flying their planes and helicopters this week and it has been lovely to see. Here are a few pictures of their different designs we had the pleasure of seeing on our Class Dojo page.

Kaiden Steele - 6SB

George Spear - 6TW

Angus Bardoe - 6TW

Casey Hill - 6SB

Larna Eagle - 6SB

Maisie Bower - 6TW

Riley Eveleigh - 6SB

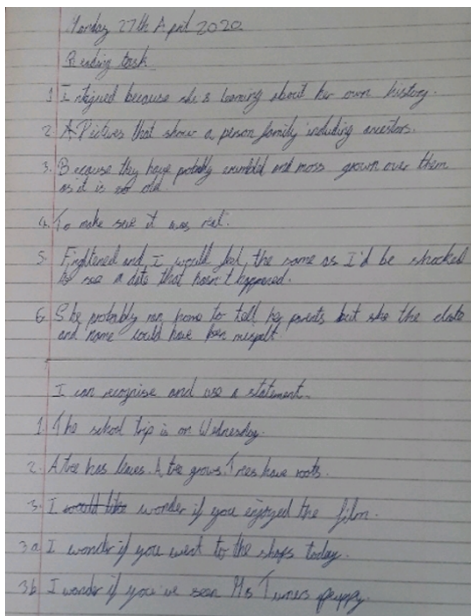

Cerys Phillips - 6SB

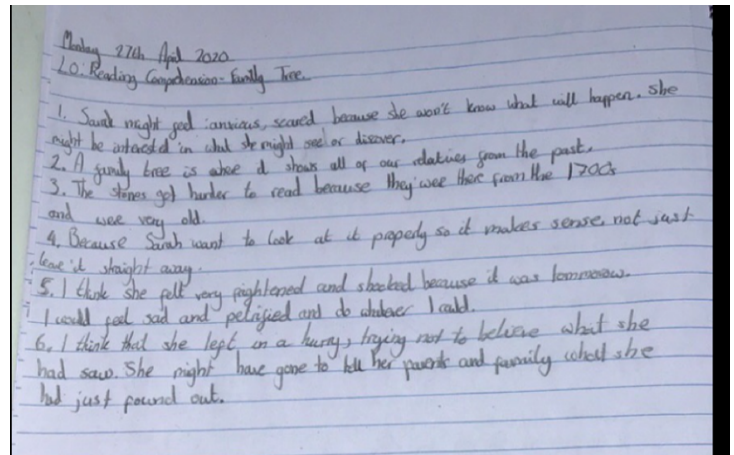

Aston Senior – 6TW

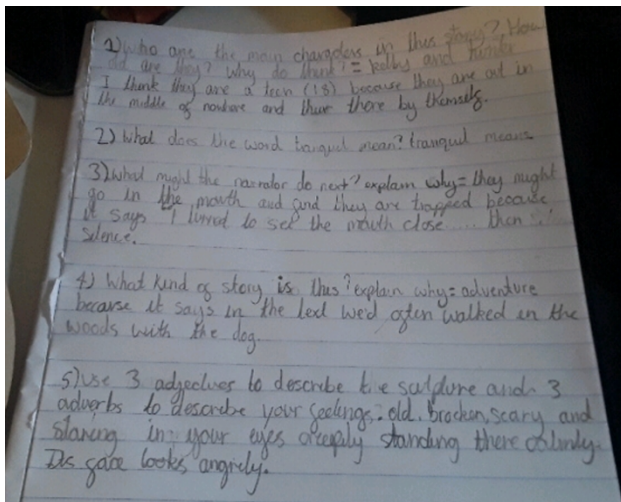

In Reading this week, Year Six were set the task of answering questions related to intriguing and exciting short extracts. The children's responses were brilliant, and they even had the chance to be 'reading detectives'. Here are a few pictures of their responses we had the pleasure of seeing on our Class Dojo page.

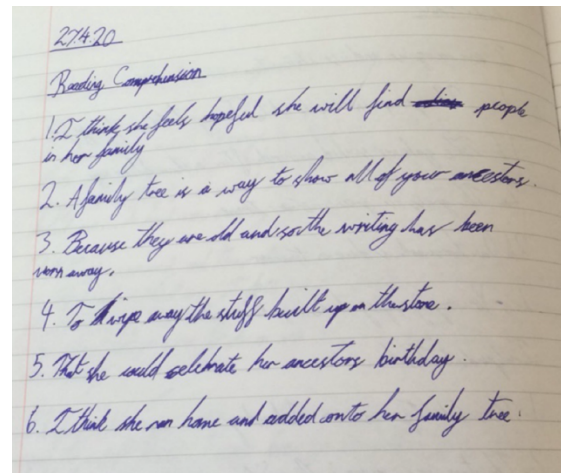

Joshua Abimbola -6TW

Maja Moroniak – 6SB

Poppy Mizon – 6SB

Samuel Creasy – 6TW

Well done to Year Six on all their fabulous home learning this week.

We are all very proud of you!

Mr Wade, Mrs Farrant and Mrs McConnell
